Extracts from the Laws relating to Governors and Board of Management.

QUALIFICATION OF GOVERNORS.

Law III.—The qualifications of Governors are as follows:—

LIFE GOVERNORS.

(1) Every person who shall contribute not less than fifty guineas at one time or during one year shall be a Governor of the Hospital for life, or may nominate some other person to be a Governor for life. (Note) All persons who previously to 7th July, 1877, gave thirty guineas at one time to the Hospital are Governors for life.

(2) Any Firm or Body Corporate, which shall contribute not less than fifty guineas at one time, may nominate an individual member of such Firm or Body Corporate as a Governor for life.

(3) Any Society, Club, or Association which shall contribute not less than 100 guineas at one time, or during two consecutive years shall complete the subscription of an aggregate like sum, may, at the time of contribution or completion thereof, nominate an individual member of such Society, Club, or Association, to be a Governor for life.

(4) Any Society, Club, or Association which shall contribute not less than £150, apart from the Contributory Scheme, in any one year to the Norwich Hospitals and Medical Institutions Sunday and Saturday Fund, may nominate a representative of such Society, Club, or Association to be a Governor for life, provided that not less than seventy per cent. of the total of the Norwich Hospitals and Medical Institutions Sunday and Saturday Fund be given to the Hospital in the year in question.

(4a) Any Parish or Workpeople's Contributory Fund contributing not less than £150 in any one year to the Norwich Hospitals and Medical Institutions Sunday and Saturday Fund Contributory Scheme may nominate a

representative to be a Governor for life, for each £150 contributed up to £600, provided that not less than 70 per cent. of the total of the Norwich Hospitals and Medical Institutions Sunday and Saturday Fund be given to the Hospital in the year in question. The number of Life Governors representing any Contributory Fund under this qualification shall not exceed four at any one time, this number to include any Governors for twenty years nominated under the qualification in Section (9a).

(5) A Testator who shall bequeath a sum of not less than £1000 may by his Will nominate some person to be a Governor for life. In the absence of any such nomination the executor or executors may, with the approval of the Board of Management, nominate some person as a Governor for life.

(6) In all Governorships for life a sum of fifty guineas shall be invested subject to the discretion of the Board of Management, and added to the fund available for general purposes.

GOVERNORS FOR THE PERIOD OF TWENTY YEARS.

(Alternative to Sections 2, 3, and 4 of this Law.)

(7) Any Firm, or Body Corporate, which shall contribute not less than fifty guineas at one time may nominate the holder of a particular office in such Firm or Body Corporate while he continues to hold such office, and his successors for the time being in such office, as Governor for the period of twenty years from the date when such sum shall have been subscribed.

(8) Any Society, Club, or Association which shall contribute not less than one hundred guineas at one time or during two consecutive years shall complete the subscription of an aggregate like sum, may, at the time of contribution or completion thereof, nominate the holder of a particular

office in such Society, Club, or Association, while he continues to hold such office, and his successors for the time being in such office, as Governor for the period of twenty years from the date when the said aggregate like sum shall have been subscribed or completed.

(9) Any Society, Club, or Association which shall contribute not less than £150 apart from the Contributory Scheme in any one year to the Norwich Hospitals and Medical Institutions Sunday and Saturday Fund may nominate the holder of a particular office in such Society, Club, or Association, while he continues to hold such office and his successors for the time being in such office, as Governor for the period of twenty years from the date when such sum shall have been subscribed provided that not less than 70 per cent. of the total of the Norwich Hospitals and Medical Institutions Sunday and Saturday Fund be given to the Hospital in the year in question.

(9a) Any Parish or Workpeoples' Contributory Fund contributing not less than £150 in any one year to the Norwich Hospitals and Medical Institutions Sunday and Saturday Fund Contributory Scheme may nominate, for each £150 contributed up to £600, the holder of a particular office in such Parish or Workpeoples' Contributory Fund, while he continues to hold such office, and his successors for the time being in such office, as Governor for the period of twenty years, from the date when such sum shall have been subscribed, provided that not less than 70 per cent. of the total of the Norwich Hospitals and Medical Institutions Sunday and Saturday Fund be given to the Hospital in the year in question. The number of Governors representing any Contributory Fund under this qualification shall not exceed four at any one time, this number to include any Life Governors nominated under the qualifications in Section (4a).

ANNUAL GOVERNORS.

*(11) Every person who shall annually subscribe four guineas or upwards shall be a Governor of the Hospital during payment. Subscriptions are due on the 1st January in each year.

*(12) Any Firm, or Body Corporate, or any Parish, whether by Church Collections or otherwise, which shall contribute four guineas or upwards, may nominate in writing a person as Governor who shall during one year after payment have the same rights and privileges as an individual subscriber of like amount.

(13) Any Parish or Workpeoples' Contributory Fund contributing £50 or more in any one year to the Norwich Hospitals and Medical Institutions Sunday and Saturday Fund Contributory Scheme shall be entitled to nominate for the ensuing year one Governor for each £50 contributed. In the case of Contributory Funds contributing £150 or more in any one year, this privilege of nominating Annual Governors shall be considered as an alternative to the privileges given in Sections (4a) and (9a).

(14) Any Society, Club, or Association, or any Parish, by Church Collection or other means apart from the Contributory Scheme, which shall contribute £20 or upwards in any one year to the Norwich Hospitals and Medical Institutions Sunday and Saturday Fund, shall be entitled to nominate one Governor for the ensuing year.

(15) The Committee of the Norwich Hospitals and Medical Institutions Sunday and Saturday Fund shall be entitled to nominate twelve Annual Governors.

(16) The members of the Honorary Medical Staff, the Ophthalmic Surgeons and the Visiting Dental Surgeons of the Hospital shall be Governors, and shall be entitled respectively to the same rights and privileges as Subscribers of four guineas per annum.

BOARD OF MANAGEMENT.

XV. The ordinary business of the Hospital shall be transacted by the Board of Management, which shall be thus constituted :—

(1) The President, Vice-Presidents, Treasurer, and Trustees shall be Members ex-officio.

(2) Eighteen Governors (not being Honorary Medical Officers of the Hospital) shall be elected, six at the Annual General Board in each year, three of the six being resident in the County of Norfolk, and the other three

in the City of Norwich. At the same time the three County Members and the three City Members of the Board who have been longest in office shall retire, but shall be eligible for re-election. No Member, however, who has served for two consecutive terms of three years shall be eligible for re-election for one year, with the exception that two of the retiring members may be co-opted by the Board of Management in accordance with Law 18. Any elected Member of the Board of Management who has failed to attend at least one-half of the meetings of the Board during the preceding twelve months, unless prevented by sickness or any other unavoidable circumstances allowed by the Board, shall be ineligible for re-election.

(3) Three representatives of the Norwich Hospitals and Medical Institutions Sunday and Saturday Fund, who shall be elected upon the nomination of the Committee of that Fund at the Annual General Board in each year.

(3a) The County Director for Norfolk of the British Red Cross Society and the Order of St. John of Jerusalem in England for the time being.

(4) The Honorary Medical Staff, the Ophthalmic Surgeons and the Visiting Dental Surgeons shall be Members ex-officio, with all the privileges of such membership except power to vote. These Officers shall annually elect as their representatives on the Board of Management four of their number, who shall have power to vote.

XVI.—(1) Any Governor intending to nominate a Member or Members of the Board of Management shall send

to the Secretary before twelve o'clock at noon on the second Saturday in March the name of each Governor whom he nominates. The Secretary shall forthwith write to each Governor so nominated, requesting to know whether, in the event of election, such Governor would be willing to serve.

(2) A list of all the Governors nominated shall be affixed by the Secretary in a conspicuous place in the Board Room, and the names of such as consent to act, as well as those who retire, shall be inserted in the advertisement convening the Annual General Board.

(3) If a sufficient number of Governors to fill up the vacancies occurring by rotation or otherwise shall not so consent, the Board of Management shall nominate a sufficient number to make up the full complement of the Board.

(4) If the number of nominations exceed the number of vacancies, an election shall be conducted by a Committee of not less than three Governors chosen by the Board of Management to act as Scrutineers. A Governor wishing to vote at such election must send to the Scrutineers, on the form supplied with the Annual Report, a list signed by him of the names of the persons whom he wishes to select from those so nominated and consenting to act, not exceeding the number of vacancies. These voting papers must reach the Scrutineers not later than seven o'clock on the Friday evening preceding the Annual General Board.

(5) The Declaration of the Poll shall be made by the Chairman at the Annual General Board.

*All Subscribers of two guineas and upwards prior to 1st January, 1921, who have maintained their subscriptions, are Governors.

THE Board of Management meets on alternate Saturdays, at 11.30 a.m., to transact the business of the Hospital.

It will be a great convenience to the Hospital Management if Subscribers will remit their Subscriptions as soon after the first day of January as possible.

Subscriptions are received by BARCLAYS BANK, LIMITED ; THE NATIONAL PROVINCIAL BANK LIMITED ; LLOYDS BANK LIMITED ; AND THE MIDLAND BANK LIMITED.

FORM OF LEGACY TO THE GENERAL FUND OF THE HOSPITAL.

I bequeath to the Treasurer for the time being of the Norfolk and Norwich Hospital the sum of.....pounds, free of duty, to be applied to the general purposes of the said Hospital, and I declare that the receipt of the Treasurer for the time being of the said Hospital shall be a sufficient discharge for the same.

FORM OF LEGACY TO LEICESTER PERPETUAL ENDOWMENT FUND.

I bequeath to the Treasurer for the time being of the Norfolk and Norwich Hospital the sum of.....pounds, free of all duty, to be held by him upon the same trust as and in augmentation of the Leicester Perpetual Endowment Fund, and I declare that the receipt of the Treasurer for the time being of the said Hospital shall be a sufficient discharge for the same.

ANNUAL REPORT *for the Year ending* *31st December, 1929.*

THE Board of Management is pleased to submit the following Report for the year 1929, being the 158th Annual Report of the Hospital.

In-Patients.—A record number of admissions has again to be reported, the total, 5,686, being 317 more than in the previous year. Of these, 264 were taken into the Eye Infirmary, and 305 into the Private Patients Home. There were, on an average, 303 patients in the Hospital every day, an increase of five as compared with 1928. The average length of stay of each patient has been reduced from 20.4 days in 1928 to 19.4 days in the year under review. Despite the increased accommodation provided during the past few years, the number of patients awaiting admission is still very high, in fact, during the year the “ waiting list ” has on an average been higher than in the previous year. It has ranged from 250 to 350, a number which it is hoped will be considerably reduced when still further accommodation is provided by the new Eye and Ear, Nose and Throat Block, which is now in course of erection.

Out-Patients.—The work in the Out-Patient Department continues to increase, the number of new cases being 16,265 as compared with 14,188 in 1928. The total attendances of all patients were 80,823. The continued increase in the number of new patients in this Department is not altogether satisfactory, as it is considered that many of the patients now sent to the Hospital should be treated by their own doctors. The question of the best means of confining as far as possible the Out-Patient Department to a consultative centre is at present receiving the consideration of the Board of Management and the Honorary Medical Staff.

Financial.—The ordinary income for the year amounted to £47,672, whilst the ordinary expenditure amounted to £47,836, showing increases of £1,416 and £1,607 respectively over the previous year. Legacies, exclusive of one received in Stock, amounted to £2,881, which is £452 less than in 1928, whilst extraordinary expenditure has been increased to the extent of £7,347. Included in this figure is the sum of £6,709 paid for the purchase of properties adjoining the Hospital, to which reference is made in a later paragraph. As a result of this extraordinary expenditure the working account for the year shows a deficit of £4,629, increasing the accumulated debt on this account to £15,931. The sources from which the income has been received are dealt with in the following paragraphs and in most instances reveal decreases which it is hoped will be made up in the coming year. The ordinary expenditure compares

very favourably with the previous year, with the exception of the cost of Establishment Renewals and Repairs and Annual Cleaning, and with the additional amount spent in that direction this year the buildings generally are in a very good condition. Whilst the large deficit on the year is due to the acquisition of property, a circumstance which is exceptional and which might rightly be considered as an Investment, the position is one which calls for further support from all classes for the efficient maintenance of the Hospital. A permanent income of £52,000 is needed every year to meet the ordinary costs of maintenance and to pay for such extraordinary expenses as are found to be necessary periodically to retain the efficiency of the Institution. Legacies could then be used solely for the reduction of the debt or for investment, providing a position which would help materially in the Board's efforts to develop the Hospital's work to meet the constant increased demands.

Hospital Sunday and Saturday Fund.—The sum of £23,700 received from this source is £790 in excess of the previous year's contribution, for which the Board is very grateful. The increasing success of the Contributory Scheme, which provides the greater portion of this Fund, reflects the greatest credit on the Committee and officials who have worked so hard for its development. That they are continuing their efforts to increase still further the contributions is especially gratifying, and is an encouragement to the Board to hope that the full cost of the maintenance of the Members of the Scheme treated in the Hospital, will be provided. About 700 representatives of the Contributory Funds visited the Hospital on the three days set apart for this purpose in July, and were much interested in the work of the Institution.

Annual Subscriptions.—There was a decrease of £157 received from this source, due largely to losses by death of several large subscribers. It is becoming increasingly difficult to find new subscribers of such large amounts as those given by many old supporters of the Hospital and it is hoped that present subscribers will endeavour to obtain others to follow their example, as it is only by increasing by a large number the present subscribers that the sum of £5,164 from this source can be maintained. In connection with this appeal for new subscribers, the Board has to report that Captain W. D. Lea Rayner, M.B.E., has been appointed Collector and Canvasser, to fill the vacancy caused by the resignation of Miss Symons, and that he will be glad to receive the names and addresses of possible subscribers for personal canvass by him.

Donations, Boxes and Workmen's Collections.—A decrease of nearly £100 is shown in the total amount received under these headings as compared with 1928, despite the fact that the employees of Messrs. Boulton and Paul, Ltd. have this year sent, through

Mr. A. E. Jackson, £400 instead of their usual contribution of £300. The following are the principal donations for which the best thanks of the Board are here recorded :—

London and North Eastern Railway Hospital Fund	...	£230
Aylsham Hospital Demonstration Committee		£220
Mr. Eldred W. Wilson		£150
Mr. W. L. White		£100

Sister Young has collected £445 from the visitors to the patients, £80 less than in 1928, due to her absence through ill-health on several visiting days. Sister Young's total collections now amount to £4,535, a figure which bears testimony to her unselfish labour and devotion to duty.

Entertainments.—It is regrettable that contributions from this source continue to show decreases year after year, more particularly so, when it is considered that the promotion of these entertainments provides a means of helping the funds of the Hospital in which persons of all ranks can assist. An appeal is made to every parish served by the Hospital to promote an entertainment of some character during the ensuing year. The sum of £1,120 received from entertainments this year is much lower than for several years and is largely due to the fact that from the Norfolk and Norwich Hospital Football Cup Match, only £34 was received, the gate, which usually amounts to several hundreds of pounds, being ruined by wet weather. For the following excellent results, the Board is deeply grateful :—

	£	s.	d.
Sheringham Hospital Fête	151	0	0
Watton and District Hospital Week	83	18	4
Norwich and District Master Butchers' Association's Whist Drive	82	0	0
Good Friday Performances at Norwich Haymarket Picture House	61	4	6
New Year's Eve Whist Drive and Dance at Fakenham	52	5	4

Alexandra Day.—From Alexandra Day Collections the sum of £536 was received, as compared with £518 in 1928. This increase is entirely due to the excellent organisation of the Norwich collections this year by the members of the Rotary Club, whose efforts resulted in raising their total from £435 to £505. The Board is greatly indebted to Mrs. H. P. Gowen (the Lady Mayoress) and to Messrs. Ellis Jacobs and C. H. Udall, who acted as Honorary Secretaries. The Fakenham collection was unfortunately not organised this year, but it is hoped that this will be revived in 1930. Diss sent £28 as the result of its Rose Day collections.

Church Collections.—It is a matter of regret that a decrease in the total received from these collections has again to be reported, the figures for 1928 and 1929 being £955 and £902. The amount this year would probably have been higher, but many churches had special collections for hospitals in connection with the King's

Thankoffering Fund. A large number will be found included in the list of donations to the Radium Fund on pages 101-103.

Special Departments.—The figures relating to the number of patients treated in the Special Departments are given on pages 108 and 109. It will be seen that in practically every case there is an increase as compared with the previous year.

Fletcher Convalescent Home.—A record number of patients, namely 533, has been sent to the Home at Cromer, proving the great assistance this Home is to the patients in the Hospital. The Report of the Committee of Management appears on pages 125 and 127.

Nursing.—The Board is pleased to report that the Nursing Staff have had a successful if rather uneventful year. The working arrangement with the Jenny Lind Hospital has made the year a busy one for the administrative nursing staff, and much work has yet to be done to overcome the difficulties of the two training schools becoming one. The nurses have, however, worked very happily together when called upon to do so, and those at the Jenny Lind Hospital are to be commended for the loyal way in which they have accepted the necessary changes.

The third Annual Prize-giving was held on November 16th, and was a most successful function. Sir Humphry Rolleston, Bart., K.C.V.O., K.C.B., M.D., Regius Professor of Physic in the University of Cambridge, presented the prizes and gave an excellent address.

Two numbers of the Student Nurses' Magazine were published and each edition had a good sale.

Through the International Council of Nurses, several students from other countries have been received for post-graduate work. These nurses have worked well as junior staff nurses, and have undertaken their full quota of work, at the same time gaining a useful insight into English methods.

Mr. R. Ernest Horsfall has again sent the proceeds of his annual sale of Azaleas, this year amounting to £69, to be used for the recreation of the nurses.

Private Patients' Department.—The success attached to this department has continued throughout the year, the fourteen beds being continuously occupied and a list of patients waiting for vacancies. Of the 305 patients admitted during the twelve months, 66 were members of the Insurance Scheme. Consideration is now being given to the erection of a new Home with twenty beds and the possibility of enlargement at a later date. The accounts of this department appear on pages 32 and 33. It is proposed to borrow the amount necessary for the erection of the new Home and to repay it in the same manner as has been adopted in respect of the present Home, and in this way no call upon the general Funds of the Hospital will be made. The membership of the Insurance Scheme has increased during the year from 650

to approximately 1,000, a number which it is hoped will increase considerably during 1930. Full particulars of this Insurance Scheme are given on pages 112 and 113.

Obituary.—The Board records with deep regret the loss by death of many supporters and friends of the Hospital, including the following, whose work in the interests of the Hospital will be particularly missed.

Mr. S. H. Burton, F.R.C.S., one of the Consulting Surgeons, was first associated with the Hospital in 1878 as House Surgeon, and ten years later was appointed to the Acting Staff as Honorary Assistant Surgeon. He was promoted later to Surgeon and ultimately to Consulting Surgeon, and filled the office of Chairman of the Board of Management in 1923. With but a short interval he had thus served the Hospital for a period of half a century. For practically a similar period he was associated with the Norfolk and Norwich Eye Infirmary as Surgeon and Consulting Surgeon and from the date of the amalgamation of the Institutions he was Chairman of the Eye Infirmary Committee. Mr. Burton's long and devoted service to the surgical work of the Hospital and his active interest and help in the general administration will be long remembered.

Mr. Frank T. Simpson, one of the Vice-Presidents, was in recent years one of the Hospital's greatest benefactors. For eleven years he had been a member of the Board of Management, of which he was Chairman in 1922 and no one was more regular in his attendance at its meetings. The welfare of the Hospital appeared to be the one great interest in his life and he was continually working in various directions to increase its income. It is impossible to record his many acts of generosity, but the Children's Block, towards the erection of which he contributed so liberally, remains as a lasting memorial to him.

Mr. Geoffrey F. Buxton, C.B., had been Honorary Treasurer since 1910 and his keen interest in the progress of the Hospital was shown by his regular attendance at the meetings of the Governors. He was a most generous supporter and by his official connection and personal interest the funds of the Institution benefited considerably during his term of service.

Sir Alfred Jodrell, Bart., for many years had given practical expression of his sympathy with the work of the Hospital by providing turkeys for the Christmas dinners for the patients and staff, and throughout the year sent gifts of vegetables each week. This consistent help, as well as the generous gifts in money which he made from time to time, indicate his unfailing interest in hospital work.

Mr. E. G. Buxton, one of the Trustees, and Mr. Edward Wild and the Rev. G. H. Thompson, Vice-Presidents, have to be included amongst many other supporters and friends whose deaths have to be recorded with regret.

Honorary Treasurer and Trustees.—The Board is pleased to report that Mr. Quintin E. Gurney has agreed to accept the position of Honorary Treasurer in succession to Mr. G. F. Buxton, and that Messrs. F. C. Hinde and P. T. Carill-Worsley have been appointed Trustees to fill vacancies caused by the death of Sir Eustace Gurney and Mr. E. G. Buxton.

Radium.—The urgent need of a supply of radium for the treatment of cancer has been brought to the notice of the Governors on many occasions and early in the year an effort was made to start a special fund for this purpose. This fund, however, was held in abeyance in view of the National Appeal organised in London in connection with the King's Thankoffering Fund. The organisers of this National Appeal had intimated that any donations received by them could, if it were so desired by the donors, be ear-marked for any particular hospital, and the Board announced that any monies received through the King's Thankoffering Fund in this way would be utilised, as far as may be necessary, in connection with the purchase of radium. The sum of £508 received from London and £836 received from a similar appeal by the Lord Lieutenant of the County and the Lord Mayor of Norwich have been placed therefore to the Radium Fund. The total of this Fund at the end of the year amounted to £1,895 and as it is feared that no arrangements for the establishment of a Radium Centre in connection with this Hospital will be made by the Council controlling the National Radium Fund, it is hoped that further contributions will be received to enable the necessary amount of radium to be purchased for the use of this Hospital. It is gratifying to report that in the meantime a few of the Hospital's patients are receiving treatment by radium belonging to two members of the Honorary Surgical Staff.

Almoner's Department.—An interesting report by the Almoner on the year's work appears on pages 42 to 45. It was with regret that at the end of the year the Board received the resignation of the Almoner, Miss R. M. Miller. During the three and a half years that Miss Miller has held the position of Almoner, she has discharged her duties with exceptional ability and tact and has been extremely popular with all who have come into contact with her. Miss Miller carries with her the best wishes of the Board on her approaching marriage.

Jenny Lind Hospital.—In response to a request from the Committee of Management of the Jenny Lind Hospital for Children, the Board has entered into a working arrangement whereby the secretarial and nursing duties at that Institution are now under the officers of this Hospital. The Board desires to emphasize the fact that the two Hospitals are to continue as separate Institutions, the funds for the maintenance of each to be entirely distinct, and that this Hospital assumes no responsibility for the finances of the Jenny Lind Hospital. It is hoped that this working arrangement will be of benefit to both Institutions and to the public.

Blood Transfusion.—Through the co-operation of the British Red Cross Society, Toc H. and the Rover Scouts, a voluntary Blood Transfusion Service has been organised in connection with the Hospital and has already proved of great assistance. From its inauguration in April to the end of the year, nine transfusions were carried out. Before this Service was established, payment was made in all cases of transfusion to the blood donors, so that the new arrangement will reduce materially the Hospital's expenditure in this direction.

New Eye Infirmary.—The erection of the new Eye Infirmary, which will also provide accommodation for the Ear, Nose and Throat patients on the site of the old "Eastern Daily Press" ward, has been commenced during the year. Half of this building, which is nearing completion at the time of writing this report, will shortly be occupied by patients, and the whole building, when completed, will provide excellent up-to-date accommodation for forty-eight patients. The cost of this extension, approximately £15,000, will exhaust the amount in the Special Appeal Fund and will leave an overdraft on the Building Account.

Other Improvements.—In view of the fact that many of the stoves in the Wards are getting beyond repair, the question of heating the Wards from the central plant and installing modern stoves has been under consideration. At the close of the year this work was put in hand, in one Ward, No. 4, the Ward and balcony being heated with radiators and two open fireplaces installed at a total cost of £370. It is hoped that, should this method of heating prove to be satisfactory, the finances of the Hospital will permit of other wards being improved in this way.

The many extensions which have recently been carried out to the Hospital buildings have made severe demands upon the services of the boilers in connection with the central heating and hot-water plant, and Mr. A. C. Thirtle, A.M.I.E.E., has been appointed to advise the Board of Management in this direction. Upon Mr. Thirtle's advice a forced draught fan has been installed at an approximate cost of £280. The installation of this will, it is hoped, defer the provision of an additional boiler for some time.

When vacant possession of St. Stephen's House is obtained in March, 1930, the Board will be able to proceed with the erection of the "Queen Alexandra Extension," of the Leicester Nurses Home. It is imperative that this work should be put in hand at once. For too long the accommodation for the nursing staff has been most inadequate, the facilities for training Probationers being greatly hampered, and owing to the many hired temporary quarters that have been utilised for them the nurses have been deprived of that comfort which the Board is confident all the Governors would like to see provided. A special committee has been appointed to consider the best means of raising the necessary funds.

Purchase of Property.—Opportunities were afforded during the year for the purchase of seven houses, Nos. 12 to 24, Brunswick Road and Nos. 33 and 35, St. Stephen's Road, all adjoining the Hospital and the cost (£6,709) of the acquisition of these properties (purchased with the object of providing sites for future extensions of the Hospital) has been charged to the General Working Account. It is intended to utilise the sites of three of the houses in Brunswick Road for the erection of the new Private Patients Home, the other four houses being let to tenants, whilst No. 33 and No. 35, St. Stephen's Road have been let on a lease at a rental commensurate with the purchase.

Superannuation Scheme for Staff.—In its report for the year 1929, the Board referred to its consideration of the question of adopting the Federated Superannuation Scheme for Nurses and Hospital Officers and it has now to report that this will be put into operation at this Hospital on the 1st January, 1930. For three years this Pension Scheme has been discussed by representatives of the voluntary hospitals and, following its adoption by the London Hospitals, the provincial institutions have gradually become affiliated to the Scheme. After full consideration the Board decided that, to attract the most efficient nursing and administrative officers to its service, it was imperative for this Hospital to adopt the Scheme. This was confirmed by a Special Meeting of the Board of Governors in November. In due course all trained Nurses and Administrative Officers must be members of the Scheme and the approximate annual cost to the Hospital will then be £1,300. In addition to this figure there will be the cost of existing pensions, and those which must be provided for present members of the Staff ineligible for the Scheme.

Voluntary Service.—Once more the Board has to record its gratitude for personal service rendered to the Hospital in many ways, particularly to the Women's Detachments of the British Red Cross Society; to the ladies who have provided articles of clothing; to the ladies who so consistently help in the bandage-winding rooms, and to the official lady visitors. Such kind and valuable help is much appreciated.

The Board desires to express once again its deep appreciation of the valuable services rendered by the Honorary Medical and Surgical Staff and their Honorary Assistants. The onerous and responsible work of the Staff is entirely voluntary and calls for the highest praise, whilst their co-operation in the general administration of the Hospital is of great assistance to the Board.

Gifts in Kind.—To Mr. F. B. Seago an expression of grateful thanks is again due for his excellent organisation of Egg Week. This year the total number of eggs received was 167,534, and of these, 91,915 were retained for the use of this Hospital and the balance

distributed, as in former years, among other charitable Institutions. The Board is greatly indebted to Mr. Seago, the ladies who assisted at the Egg Depot, and the many collectors and donors of the eggs for their very valuable help.

In consequence of the death of Sir Alfred Jodrell and the loss of his annual Christmas Gift, an appeal was made through the local Press for gifts of turkeys and it is with pleasure and gratitude to those who answered this appeal that the Board reports that sufficient turkeys were received for all the needs of the Hospital without any call on the general funds.

Harvest Thanksgiving Services again provided a most useful supply of fruit, vegetables, etc., and to the clergymen of the churches from which these were received the Board tenders its thanks.

To many other donors who have provided gifts in kind the Board desires to express its appreciation of their kind assistance.

The Board Room has been re-decorated and, in this connection, the Board has to record its grateful thanks that all the pictures have been restored by Mr. Bernard Boswell in memory of his father. The Directors of the Norwich Union Insurance Societies have presented a handsome table for use in the Room and, following the lead given by the Honorary Medical Staff, several members of the Board of Management are presenting chairs for use at Board Meetings. These gifts in connection with the Board Room are greatly appreciated.

In conclusion, the Board feels it must draw attention to the difficult problems with which it is confronted at the present time. Since the end of the War, extensions to the buildings have been made continuously to meet the demands for more accommodation for patients, so much so that with the completion of the new Eye and Ear, Nose and Throat Block in 1930, the beds in the Hospital, which before the War numbered 230, will have been increased to nearly 400. These extensions have been carried out at the sacrifice of the comfort of the nursing staff, the permanent accommodation for whom remains the same as in 1914. The time has arrived when no further extensions to the Hospital proper must be considered until the extension to the Nurses Home is provided. This will require £30,000 and with an overdraft of £15,931 on the General Account and an estimated deficit of £5,000 on the Building Account, the position is one causing grave anxiety. It is hoped that the public will realise their responsibilities and will see that the progress of the Hospital is not impeded by the need of funds so necessary for its efficient maintenance and development.

(Signed) BERNARD J. HANLY,
Chairman.

Endowed Beds and Cots.

BEDS.

<i>Date.</i>		<i>Ward.</i>	<i>Bed No.</i>
1902	Endowed by Reginald W. P. Beauchamp, Bart., "In Memory of his Parents"	1	3

ALMONER'S DEPARTMENT.

Miss R. M. MILLER, Almoner.

Miss E. M. M. ZUCKER, Assistant Almoner,

Report for the year 1929.

THERE has been no change in the Staff of this Department during 1929, except for the fact that for the last month there has been an extra clerk. The numbers of patients increase every year, especially in the Out-patient Department, and with them, both routine and social work, so much so that the Committee at a meeting in October agreed that extra staff was needed, and the Almoner was authorised to find suitable help. In the meanwhile, as it takes time to do this, it is a relief to have the extra clerk for routine work, and in the early Spring it is hoped to have a third Almoner.

The total number of patients admitted to Hospital during the year was 5,382, as against 5,200 in 1928, 247 being Eye Infirmary cases. Among Hospital patients the percentage of contributors has increased from 75.3 per cent. to 75.6 per cent. A sum of £3,649 11s. 3d. has been collected towards the cost of maintenance from patients, their friends or from Approved Societies. This is greater than last year's amount by £98 6s. 10d., and the contribution received from Approved Societies has also increased from £1,027 6s. 4d to £1,239 6s. 0d. Among Eye Infirmary patients the percentage of contributors was 69.6 per cent., instead of 72.42 per cent., while payments have increased from £101 8s. 3d. to £133 17s. 6d.

In the Out-Patient Department the number of patients interviewed shows an increase of over 2,000. In 1927 it was 8,368, in 1928, 9,421, in 1929, 11,712. The percentage of contributors continues to increase from 79.63 per cent. to 81.86 per cent., while the sum collected from non-contributors amounted to £480 14s. 7d., which is more than last year's total by £30 14s. 3d.

Among the Out-Patients of the Eye Infirmary £33 15s. 0d. has been raised instead of £55 15s. 3d., while the percentage of contributors has decreased from 81.37 per cent. to 76.2 per cent. 32 Hospital and 47 Eye Infirmary patients were considered unsuitable for Hospital treatment, and were advised to obtain private consultations. Most of the Eye Infirmary patients were members of Approved Societies, which include fees for private ophthalmic treatment among their benefits.

The following table gives the statistics of the social work done during the year :—

	1928.	1929.
Convalescence arranged	528	537
Instruments supplied	404	406
Dentures supplied	30	21
General help given	105	148
Crutches and Syringes loaned	239	248
Special Homes or Treatment arranged	44	136
Fares arranged	42	72
Visits paid or arranged	41	53
Inquiries or Reports	6	69

Towards the total of £727 12s. 9d. which was the cost of the appliances, instruments and dentures supplied as above, £686 3s. 8d. was raised from patients, their friends and outside organisations, leaving only a balance of £41 9s. 1d. to be met from the Samaritan Fund. In addition to this a large amount has been raised towards extra nourishment, fares, etc. It is not possible to calculate this exactly, the amount granted in each case not always being known, but it must amount to two or three hundred pounds.

In the statistics are included under the heading of "general help" many varied forms of assistance. In the majority of cases an allowance has been arranged for the dependents of patients while in the Ward, or extra nourishment for the patient himself at home. In many cases the department has arranged ambulances, or has helped patients to obtain pensions, either through the State or the Committee for the Blind. Sometimes it has had lodgings to arrange, as in the case of the following patient.

——— was a timber-feller, living near East Dereham, who was recommended daily massage. He was unable to walk, as his feet had been crushed, and he had no friends in Norwich with whom he could stay. Lodgings near the Hospital were found for him and the Society which was paying his compensation, were induced to meet the cost. One of the clerks fetched him every morning in a bath chair, until he was able to walk with the help of crutches, and in a month he was completely recovered.

Among the 136 patients for whom special treatment had been arranged were 84 who were sent to the Radium Institute. In the previous year the number sent there was 21, so there has been a very large increase in spite of the fact that two of the surgeons now have their own supply of Radium, and are treating patients with it here in Hospital. There are often many difficulties to overcome in making all the plans.

— was a young married woman of 30, admitted to Hospital with cancer and exophthalmic goitre. She was separated from her husband and had no allowance from him, but supported herself and her little girl of eight by working in a boot factory. She has never been in London, and was very worried and nervous at the idea of going there, and her general condition was so weak that it would not have been safe to let her travel alone. The Almoners were faced with the problem of raising, not only her fare, but that of an escort, as she had only 22s. a week coming in from her Approved Society or Union on which to keep herself and the child. Her Society and her Union were appealed to and they came to the rescue. None of her own relations would take the responsibility of the journey to London, so a friend of the Almoner, at 48 hours' notice agreed to take her. The treatment in her case is most encouraging. Since her return home she has been up twice to the Out-Patient Department and there has been no sign of a recurrence of the cancer. She has resumed work and it is hoped may long continue to be a self-supporting member of the community.

Another interesting case of special treatment is — —, a boy of 17. He was admitted three times to Hospital with osteomyelitis of tibia. Each time he went home the wound broke down and he and his parents became terribly depressed and lost all hope that he would ever be well and able to work. Eventually the Almoner asked the Surgeon's permission to try sending him to St. Martin's Home, Pyrford, a special orthopædic Home where they are prepared to keep patients of this nature for an indefinite period. Ordinarily speaking the fees there are very high, but with the help of the Almoner of St. Thomas's Hospital, special terms were made, and the boy was sent off. He stayed there seven months and cheering and happy letters were received from him from time to time. Since his return home, quite cured, anxiety has been felt in case the old trouble should return, but he has found work in a boot factory, and comes at intervals to report that he is still keeping well.

As in former years, the Department has worked in co-operation with many charitable Societies as well as the Public Authorities, and is very grateful indeed for their assistance. Special thanks are due to the Invalid Children's Aid Association and the Sick Poor Society for their help with children and adult patients of the City; to the United Services Fund, and other ex-service men's societies, and to the District Nursing Association.

*Nominated in respect of amounts received through Contributory Scheme.

ANNUAL GOVERNORS.

Many Annual Governors have been nominated under Law III. (Sections 13, 14, and 15) by contributors to the Norwich Hospitals and Medical Institutions Sunday and Saturday Fund. The names of these Annual Governors appear in the Annual Report issued by that Fund.

Recovery of Income Tax on Annual Subscriptions.

By virtue of Section 20 of the Finance Act, 1922, a subscriber to a Hospital may, by committing himself under a simple form of Deed to a yearly or half-yearly subscription for any period of more than six years, or his life-time (whichever is the shorter period):

- (a) Remit his subscription net, i.e., less income tax at the current **rate.**
- (b) Claim to deduct from his income for super-tax purposes the gross amount of his subscription.

A certificate of the amount of tax deducted (I.T. Form 185) must accompany the remittance. In his annual return for super-tax the subscriber will insert the **gross** amount. "Less £ charitable subscription paid to the Norfolk and Norwich Hospital under Deed between myself and the Norfolk and Norwich Hospital dated ."

The working of the arrangement is briefly as follows :—The subscriber executes a deed to contribute (say) £62 10s. every year for seven years. Each year he will send to the Hospital a remittance for £50 (assuming income tax at 4/- in the £) and a certificate for the deduction made in respect of income tax, viz., £12 10s., which amount the hospital claims from the Inland Revenue authorities. In all, therefore, the hospital actually receives £62 10s. at a cost of only £50 to the subscriber. If the subscriber is also subject to assessment for super-tax at (say) 3/- in the £, he will, by inserting a paragraph in his return to the effect that he has subscribed the sum of £62 10s., save super-tax on this sum, amounting to £9 7s. 6d. Therefore, for a total yearly cost of £40 12s. 6d. to the subscriber the hospital benefits to the extent of £62 10s., and for which sum he will of course appear as a subscriber in the annual report.

The Deed may take the following form :—

This Deed of Covenant made the _____ day of _____ between _____ of _____ (hereinafter called "The Subscriber ") and the Norfolk and Norwich Hospital whose office is situate at Norwich (hereinafter called " Hospital ") of the other part.

Whereas the Subscriber is desirous of binding himself to support the Hospital and its work by entering into the Covenant hereinafter contained. Now this Deed witnesseth as follows:—

The Subscriber hereby covenants with the Hospital that he will during the term of seven years from the 6th April, 1929, or during his lifetime (whichever is the shorter period) pay to the Funds of the Hospital annually from his taxed income the sum of £ less income tax so long as income tax remains at its present rate of four shillings in the pound and if and when the rate of income tax is altered then such other sum as will after deduction of Income Tax at the rate current at the date of payment leave to the Hospital a net sum of £ . The first annual payment to be made on the day of 19 and subsequent annual payments to be made on the day of each year.

In witness whereof the Subscriber hath hereunto set his hand and seal the day and year first above written.

Signed, sealed and delivered by the said _____ in the presence of _____

Alphabetical List of Annual Subscribers.

It is particularly requested that any error of name, residence, or amount appearing in the List of Subscribers may be communicated to the House Governor and Secretary.

HIS MAJESTY THE KING £10 10s. 0d.

Admission of Patients.

IN-PATIENTS. **Urgent Cases and Accidents** can be admitted at any time of the day or night. Owing to the great demand on the accommodation much trouble and expense may be avoided by making enquiry by telephone as to whether there is a bed available before sending a patient to Hospital.

The admission of cases which are not urgent, but which are not well enough to attend in the first instance as Out-patients, should be arranged either with a member of the Visiting Staff or through the Secretary's Office. No patient can be admitted without being seen by a member of the Visiting or Resident Staff.

OUT-PATIENTS. The Out-patient Department is open as follows —

Medical Cases.

Tuesday,	1.30 p.m.	...	...	...	Dr. Morgan
Wednesday,	10.30 a.m.	...	...	...	Dr. Long.
					Dr. Cleveland.
					Dr. Starling.

Surgical Cases.

Monday,	1.30 p.m.	...	...	...	Mr. Noon.
Tuesday,	1.30 p.m.	...	...	...	Mr. Burfield.
Wednesday,	10.0 a.m. (women only)	...			Mr. Bulman.
Wednesday,	1.30 p.m. (women only)	...			Mr. Noon
Thursday,	1.30 p.m.	...	...	...	Mr. Bulman

X-RAY EXAMINATIONS. All patients must be seen by a member of the Visiting or Resident Staff before being X-rayed. A report of the examination will be sent as soon as possible to the patient's doctor, but the films are the property of the Hospital and may not be given to the patient or his doctor.

X-ray examinations are only carried out for the purpose of diagnosis or treatment and cannot be made for litigation or compensation purposes.

The X-ray Department is open from 9.30 a.m. to 5 p.m. (Sundays and Bank Holidays excepted). Much disappointment will be avoided if, before a case is sent up, enquiry be made through the Secretary's Office as to the time suitable for dealing with the case.

All cases of accident not requiring immediate admission, in which an X-ray examination may be necessary, should reach the Hospital before 1 p.m., otherwise there is a difficulty in dealing with them on the same day.

Cases for X-ray Treatment. Friday, 1.15 p.m. Dr. Levack.

EAR, NOSE AND THROAT CLINIC.

Monday, 10 a.m. and Friday, 10 a.m. Mr. Carruthers.

NEUROLOGICAL CASES AND CASES FOR ELECTRICAL AND LIGHT TREATMENT.

Friday, 1.15 p.m. Dr. Cleveland.

CASES FOR VACCINE TREATMENT.

Monday 12 noon and Friday, 12 noon. Dr. Claridge.

VENEREAL DISEASES CLINIC (Under Ministry of Heath).

Tuesday, 10 a.m. (men) ; 11 a.m. (women). Dr. Long.

Friday, 5 p.m. (women) ; 6 p.m. (men).

CARDIAC CLINIC.

Thursday, 1.30 p.m. Dr. Starling.

ANTE-NATAL CLINIC.

Wednesday, 11.30 a.m.

OPHTHALMIC OUT-PATIENTS.

Monday,	9 a.m.	Dr. Maxted.	(Country patients
Wednesday,	9 a.m.	Dr. Greene.	admitted up to
Saturday,	9 a.m.	Dr. Maxted.	11.15 a.m.).

PATHOLOGICAL examinations are only made for patients already under treatment by a member of the Visiting Staff.

DENTAL treatment is given only to those patients who are already under the care of a Physician or Surgeon for other complaints. Patients needing Dental treatment only, cannot receive it at the Hospital.

The members of the Visiting Staff attend the Hospital for the purpose of seeing Out-patients as follows :—

Sir Hamilton Ballance	Tuesday,	11.0 a.m.	For old In-patients and Cases sent specially.
Mr. Everett	Monday,	11.30 a.m.	
Mr. Blaxland	Friday,	1.30 p.m.	
Dr. Long	Wednesday,	10.30 a.m.	
Dr. Cleveland	Wednesday,	10.30 a.m. ; Fri., 1.15 p.m.	
Dr. Starling	Wednesday,	10.30 a.m. ; Thurs., 2 p.m.	
Dr. Morgan	Tuesday,	1.30 p.m.	
Mr. Burfield	Tuesday,	1.30 p.m.	
Mr. Noon	Monday,	1.30 p.m. ; and Wednesday, 1.30 p.m. (women only).	
Mr. Bulman	Wednesday,	10.0 a.m. (women only) ; and Thursday, 1.30 p.m.	
Mr. Carruthers	Monday,	10.0 a.m.	
	Friday,	10.0 a.m.	
Dr. Claridge	Monday,	12 noon ; Fri., 12 noon.	
Dr. Levack	Friday,	1.15 p.m.	
Dr. Greene	Wednesday,	9.0 a.m.	
Dr. Maxted	Monday,	9.0 a.m. ; Sat., 9 a.m.	

Private Patients' Department.

This Private Patients Department

of the Norfolk and Norwich Hospital has been instituted in order to provide those whose incomes fall within certain limits with treatment which they could otherwise only procure at considerable expense in a private Nursing Home or by admission to the General Wards of the Hospital. (Admission to the General Wards is now limited to persons whose incomes do not exceed £300 per annum.)

For many years the need for this provision has been obvious and the demand for it increasing.

For thirty shillings a year, paid yearly, half-yearly, or quarterly in advance, "Hospital treatment," including physicians' and surgeons' fees and certain special Out-patient treatment, can now be obtained for persons whose incomes fall within the following limits :—

Class (a) Single persons under £350 per annum.

(b) Married couples without children under 16, £450 per annum.

(c) Widows and widowers with a child or children under 16, £450 per annum.

(d) Married couples with a child or children under 16, £550 per annum.

Each member will be entitled to this free "Hospital treatment" for himself, his wife and children under the age of 16 years, six months after the payment of his first premium.

The Private Home

is opposite the Hospital in St. Stephen's Road, and consists of fourteen separate rooms.

Visitors are allowed daily, between the hours of 3 and 4 p.m., subject to the consent of the Medical Officer in charge.

Patients are under the care of a member of the Visiting Medical Staff of the Hospital and no patient can be admitted as an In- or Out-Patient without a preliminary consultation between a member of the Visiting Medical Staff and the patient's own doctor. The fee for this consultation is not covered by the member's premium.

The premium covers all medical and surgical nursing and maintenance costs, whilst the patient is in the Home, but does not cover the cost of any special appliances, drugs or instruments which may be ordered for treatment after discharge from the Home.

No patient shall remain as an In-patient for more than four consecutive weeks, except by special arrangement and with the permission of the Committee of Management.

Maternity, Mental, or Infectious cases cannot be admitted.

The Special Out-patient Treatment

referred to consists of: X-ray Examinations if recommended by a member of the Visiting Medical Staff. (A preliminary consultation with a member of the Visiting Medical Staff is necessary for both In- and Out-patients.)

X-ray Treatments limited to six, with an interval of at least six months before another course of six treatments can be provided. Should more than six continuous treatments be necessary, arrangements can be made for the same to be provided by an additional payment. The treatment of Ringworm by X-ray is not undertaken.

Massage, Electrical and Light Treatments limited to eighteen, with the same conditions as to an interval of six months and payment for additional treatments as for X-ray Treatments.

Pathological Examinations, if recommended by a member of the Visiting Medical Staff.

Pathological Treatment as a continuation of In-patient Treatment only.

No ordinary drug treatment, Venereal Disease or Dental Treatment is given.

The Board of Management reserve the right to refuse any application for membership of the Insurance Scheme, to cancel any existing membership, or to revise the conditions under which members have joined.

Application Forms for membership can be obtained from
The House Governor,
Norfolk and Norwich Hospital,
Norwich.

to whom all enquiries regarding the Scheme should be addressed.

Admission to the Private Patients Home of Non-Members of the Insurance Scheme.

So far as accommodation will permit, patients who have not adopted the Insurance Scheme will be received in the Home as In-patients, following a Consultation with a member of the Honorary Medical Staff, at a charge of £4 4s. 0d. per week, and an additional charge for medical attendance which will not exceed fifteen guineas.

The income of patients admitted under this arrangement must come within the limits laid down under the Insurance Scheme.

List of Parishes and Number of Patients admitted from each Parish during the year 1929.

37th Report *of the Committee of Management* TO THE *Annual General Board of Governors.*

THE Committee has pleasure in presenting to the Board of Governors its Annual Report and Financial Statement for the year ending the 31st December, 1929.

After being closed for six weeks from the 22nd December, 1928, the Home was re-opened on February 9th and remained in occupation by patients until December 21st.

During the past two years the number of patients admitted has increased each year and in 1929 this totalled 533, as compared with 443 in 1927 and 529 in 1928.

This number was made up of

Men	...	226	as compared with	217	in 1928.
Women	...	258	„ „	242	„
Children	...	49	„ „	61	„

There are 35 beds in the Home, of which number four are in the Shelter, and during 1929 the daily average number occupied was 27, the same as in 1928. The average duration of stay of each patient was 16.5 days, as compared with 16.3 days in the previous year.

It is satisfactory to report that the Nurses' Rest Room, containing two beds, was made use of by 15 Sisters and 28 Nurses from the Hospital for a total period of 237 days.

There has been only one death during the year, namely, Private Stephen John Perowne, of the Norfolk Regiment, who died on the 27th June. He received serious spinal injuries during the Great War, and had been a patient at the Home for eight years, and in spite of his crippling disabilities he was always cheerful and much

liked by all the other inmates of the Home. He will be much missed for the help he gave each year in making articles for sale at the Fête, which usually realised about £30.

A Garden Fête was held in the grounds of the Home on August 7th, when the record sum of £250 was realised. To the Matron and those who assisted her the Committee is very grateful for this much needed addition to the funds of the Home.

Captain Palmer again organised a Horse Gymkhana in the field on August 21st, from which the funds further benefited by the sum of £56 1s. 6d. To Captain Palmer the Committee records its appreciative thanks for this help.

Dr. Dent has paid frequent visits to the Home, and the Rev. E. M. Davys and the Rev. J. A. Holden have held weekly services, whilst Mr. W. H. Price has got up concerts for the patients in the Home. To each and all of these the Committee tenders thanks.

FINANCE.—The Committee is still faced with a heavy overdraft at the Bank, due to the cost of the erection of the gardener's cottage, but this has been slightly reduced during the year, as will be seen from the accounts. The Committee still hopes to be able to pay this off without realising invested funds.

This new cottage has been occupied by the gardener throughout the year. A few rods of land to go with the cottage have been railed off from the field.

The upkeep of the Home and adjacent buildings has not been neglected, and the Committee can report that these are in a state of sound repair.

(Signed) S. H. LONG,

Chairman.

Norfolk and Norwich Eye Infirmary

Report of the Committee for the Year 1929.

THE Committee has pleasure in reporting that the number of patients admitted during the year again shows an increase, namely 264 as compared with 246 in the previous year. The average length of stay of the patients has dropped from 20.5 days to 18.6 days, while the average number of beds occupied daily has been practically the same as in 1928, namely 13.5.

The large increase in the number of out-patients treated in 1928 has not been maintained, the figures for the Department showing a return to the normal of previous years. The new patients numbered 1828 as compared with 2,107 last year, and 1,800 in 1927, whilst the attendances of these patients numbered 6,749 as against 7,143 in 1928.

It will be seen in the Report of the Board of Management of the Hospital that a large portion of the new Eye Infirmary in the Hospital grounds is nearing completion, and the Committee is pleased to record its appreciation of the very excellent accommodation which is being provided in the new Block for the work of the Infirmary. By an arrangement with the Hospital Board one floor of this new building will be used for the accommodation of ear, nose and throat patients.

It is with great regret that the Committee has to refer to the death of Mr. S. H. Burton, F.R.C.S., who had been Surgeon and, later, Consulting Surgeon to the Infirmary, and who had been Chairman of this Committee since the amalgamation with the Hospital. Mr. Burton's keen interest in the work of the Infirmary and his active assistance in the management will be very greatly missed.

The accounts, which appear on pages 136 and 137 show that the year's work has resulted in a deficit of £301, the ordinary income being practically the same as in 1928, whilst the ordinary expenditure has been reduced from £2,421 to £2,375. It is gratifying to record that the amount received in annual subscriptions has not only been maintained, but has been increased from £357 in 1928 to £363 in the year under review. The special grant of £150, referred to in the last Report, as having been received from the Norwich Hospitals and Medical Institutions Sunday and Saturday Fund, was reduced this year to £100, but the larger funds available for distribution made up the total grant to £1,000, which was only £20 short of the 1928 total. A legacy of £90 was received during the year from the estate of the late Mr. E. P. Simpson.

The splendid work of the Ladies' Linen and Flannel Guild has continued during the year, and the Committee has pleasure in again expressing its grateful thanks to the officers and members of the Guild for their valuable assistance in the work of the Eye Infirmary.

HAMILTON A. BALLANCE,
Chairman.

Norfolk and Norwich Eye Infirmary.

Medical Officers' Report for the year 1929.

The total number of new out-patients, 1828, shows a decrease of 279 in the number attending during the year, and it may be noted from the Almoner's Report (p. 42) that 47 out-patients who were members of Approved Societies, which include fees for private ophthalmic treatment, were considered unsuitable for free Hospital treatment. Arrangements have been made enabling the Almoner to investigate the question of assisting financially necessitous cases among those patients—and they constitute a considerable proportion of those attending for treatment—for whom glasses have been prescribed.

The total number of in-patients was 264, an increase of 18 over those admitted in 1928.

The Honorary Medical Staff—in the interests of the patients—look forward with pleasure to the almost immediate occupation of the greater portion of the newly erected excellent and up-to-date building of the Norfolk & Norwich Eye Infirmary in the Hospital Grounds.

ARTHUR GREENE.
G. MAXTED.

11th March, 1930.

Norfolk and Norwich Eye Infirmary

Linen Guild

Report for Year 1929

THE Annual Presentation of Linen of the Norfolk and Norwich Eye Infirmary Linen Guild was held in the Ophthalmic Out-patients' Department on Monday, 11th February, 1929, when our President, Mrs. Cranage, presided, and the Lady Mayoress (Mrs. H. P. Gowen) presented the Linen, which was received on behalf of the Eye Infirmary by Mr. B. J. Hanly, Vice-Chairman of the Hospital Board of Management. Through the kindness of the Matron, tea was provided, and the visitors viewed the Eye Infirmary.

Owing to the illness of the Honorary Secretary, and other causes, the proposed Sale of Work in the Deanery, which our President had kindly promised to lend, was unable to be held, so that we have no special augmentations to our funds this year.

The Guild at the end of the year had approximately £33 0s. 0d. to its credit.

DOROTHY E. CRANAGE,

President.

MINA GREENE,

Honorary Secretary.

13th February, 1930.

DOROTHY E. CRANAGE, President.

MINA GREENE, Hon. Secretary.

13th February, 1930.

Norfolk and Norwich Eye Infirmary

Terms of Admission, Etc.

The Surgeons attend in turn to see Patients every Monday, Wednesday, and Saturday, at 9.30 o'clock in the forenoon for City Patients; Country Patients up to 11.15. No out-door recommendations are needed.

The Out-patient Department is closed on Christmas Day, Good Friday, the Saturday following Good Friday, Bank and Public Holidays.

Accidents and Urgent Cases are admitted into the Infirmary at the discretion of a Surgeon.

Persons recommended as In-Patients are expected to bring with them a change of linen, a pair of slippers, a hair brush and comb, a tooth brush, and sufficient money to cover their expense of returning home.

In-Patients may be visited on Sundays, Wednesdays, and Saturdays, between 3 and 4 p.m.

To.....Bankers.

Please pay to Barclays Bank Limited, Norwich, for the Treasurer of the Norfolk and Norwich

Eye Infirmary, the sum of.....guineas, and continue to pay the same on 1st January in

each year on my behalf.
